I remember when I met Tui at that signing. She said that she'd love to do a story from a scavenger's eyes.

I also pulled not my best first impression there.

Hey big favor please can someone tell me how to get a hold of Tui. I want to give her some names for dragonets of the dragonets of destiny that I find would be suiting and a few ideas. Don't worry I won't try to make her change anything. I mean it's not hurting me that there is one LGBT dragon which is Anemone and please no

spoilers. I haven't read winglets, the poison jungle, or Hivewing Queen. I just wanna give her a few names also confirm a few things about Jeroboa and ask her some more questions.
